“..the typical information worker now spends up to one-quarter of his or her day searching for the right information to complete a given task” -Butler Group

Stop your business's soft cost from destroying your profit margins.

What are soft costs?

Simply put, these are cost that do not show up on your financial statements yet reduce profitability when poorly managed.

KIXZO stops your Soft Cost from destroying profitability and gives you the power to increase your income by:

Phone: 1-800-291-7129

Strengthening Your Productivity and Efficiency

Ensuring that your information flows to the right people at the right time is crucial to the health of your business. KIXZO gives your organization the innate ability to save hours each week from endlessly searching for documents. KIXZO puts information at your fingertips for easy and fast access.

Compliance and Security

In healthcare, it is mandatory that your organization is compliant with HIPAA patient privacy regulations. Failure to abide by these rules is a recipe for disaster. KIXZO secures patient information by using a powerful tiered security system to ensure a high level of privacy is upheld.

Easy to Learn

Does your organization have a dedicated IT department?

KIXZO is so easy and simple to learn that even those who are not comfortable with computers are amazed at the ease at which they can utilize the program.

Our staff will install the program and train your employees to ensure your organization is getting all that KIXZO has to offer. So in short, an IT department is not needed to experience the benefits from KIXZO.
