DOCUMENT MANAGEMENT AS LOW AS \$10/MONTH (and NO Contract Required)

Let Future Filing **K.E.E.P** your Company Operating for less

As companies fight for survival in these tough economic times, Future Filing wants to help K.E.E.P your company operating for less with a document management system for as low as \$10/month.

Kixzo's Exclusive Economic Plan, businesses across the world are able to benefit from a powerful yet easy to use document management system called Kixzo that:

- **Increases Productivity:** eliminate wasted time searching for information scattered throughout your organization. Locate what you need within seconds
- **Protects Information:** Prevent unauthorized users from accessing information.
- **Strengthens Customer Service:** Respond to inquiries quickly and share documents amongst employees to get the right answer to your clients faster.
- **Provides Disaster Recovery:** Protect your critical data from business minor/major disruptions with Kixzo's disaster recovery benefit that enables you to remain functional in the wake of overwhelming circumstances.
- **Easy to Use:** If you know how to right click a mouse and drag n drop a file then you will know how to operate Kixzo.

These are just a sample of the benefits organizations receive with Kixzo. **To experience this and more**, view a pre-recorded demonstration by visiting www.FutureFiling.com and select "View Demonstration".

Still not sure if this is right for your organization? Then Future Filing offers a **risk free, no money down trial period**. No commitment or hidden contracts.

Receive your free trial now by visiting www.FutureFiling.com and select "Try it Free for 30 days"
